## EQUALITY COMMITTEE

Every 4 years, we set Equality Objectives. These are specific goals that we set to promote fairness, equal opportunities, and inclusivity for all individuals, regardless of their backgrounds, identities, or characteristics.

As part of our Action Plan, we are setting up an Equality Committee that involves parents, members of the local community and staff. This will also involve working with our School Council. We will meet termly.

We will keep you updated about this.

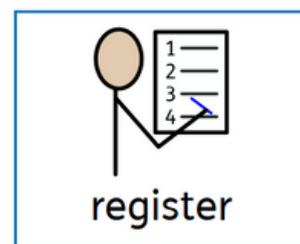

## SCHOOL NURSING TEAM - UPDATE

The School Nursing Service provides information and support to school-aged children and their families.

They can provide advice in relation to a range of health and wellbeing needs such as toileting issues, healthy lifestyles, sleep routines, relationships and sexual health, and emotional wellbeing.

You can refer yourselves by calling 0333 234 1904.

## TRAINING

Staff receive regular training, both in house and through external providers to support children with SEND.

Recent Training includes:

- Neurodiversity
- Equality and Diversity
- Further staff trained on Widgit
- Visual Timetables
