## Summer term is complete

Our Summer term is complete and what a brilliant one we've had! Our children have been busy this term, learning all about people who help us and exploring why we have farms!

We'd like to wish your children the best of luck in Year 1 - we know they're going to shine! Thank you for all of your support and we hope you have a fun filled, restful summer.

## Farmer Andrews

As part of our topic, 'Why Do We Have Farms?' Reception children thoroughly enjoyed their visit from Farmer Andrews, a local farmer who works on Little Dene farm. The children learnt all about the importance of using a tractor on a farm. They were especially excited to see the tractor up close and ask lots of brilliant questions. It was a fantastic hands on experience that brought our farm topic to life!

# Wilderness Day

Reception children had a very exciting wilderness day! We had great fun exploring the natural world around us whilst going on a summer scavenger hunt, printing using natural resources and creating our very own 'summer stew' using things that we had collected from the forest ground. What an excellent day, exploring nature together! ·

# Teddy Bear Picnic

As one of our special treats, using the money raised from our sponsored 1km run, Reception children enjoyed a teddy bear picnic together. The children were so excited to bring in their favourite cuddly toys to share the day with them and they enjoyed a delicious selection of snacks and treats. After the picnic, the fun continued with a variety of games and activities. The children took part in teddy bear races, parachute games and even had a go at musical statues. It was the perfect way to celebrate all their hard work and fantastic efforts made during the sponsored run. A big thank you to everyone who supported the event and helped make the picnic possible!
