EAST-THE-WATER PRIMARY SCHOOL NEWSLETTER

It has been a great start to the term. The children have settled into their new classes really well and have already received numerous comments from visitors about their behaviour, amazing attitude and polite friendly welcome – they really are a credit to East-the-Water!

I would like to say a huge thank you to Vincent Bowen and the Bideford Bridge Rotary Club for their kind donation of books. We have received a fantastic selection from a range of new authors!

THE ROTARY CLUB
BOOK DONATION

We have been incredibly lucky this week as Vincent Bowen from the Rotary Club stopped by to present us with boxes of new books for our book corners. We are so grateful for the kind donation. Having new books written by the newest authors is fantastic. Our children love discovering new books and we know that the greatest impact you can have on a child is to foster a love of reading. We just want to say an enormous thank you!

Autumn

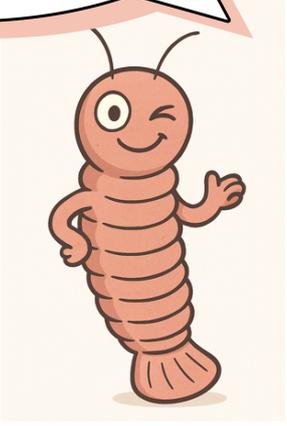

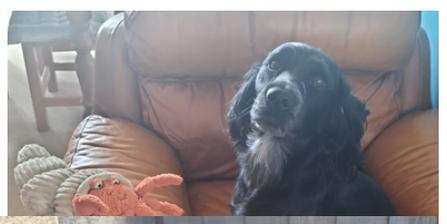

Our summer...

Our attendance mascots have had a very busy summer. Many of them have jetted off around the world, soaking up the sun and having some amazing adventures. They are now rested and ready for a full term of learning

Don't worry - no harm came to Percy, the Pufferfish!

Quiz time!

TESCO GRANT FOR OUR SCHOOL

Last year, the School Council were lucky enough to be given a grant from Tesco! The council members thought long and hard about what to use the money for and decided to create a brand-new Reading Zone for everyone to enjoy at break and lunchtimes. We surveyed pupils across the school to understand their reading interests and have bought loads of brilliant new books, plus cosy cushions and comfy chairs, making it the perfect place to relax and get lost in a story. We can't wait to see lots of children enjoying this special new space!
