

Reading Curriculum Map

At East-the-Water Primary School, we understand that reading allows access to the wider curriculum for every child. There are two key components of teaching reading: word reading and comprehension. Both of these skills are explicitly taught at every stage of learning and interwoven to ensure that every child develops into a confident reader. Reading widely and often increases pupils' vocabulary because they encounter words they would rarely hear or use in everyday speech. Reading also feeds pupils' imagination and opens up a treasure-house of wonder and joy for curious young minds (NC, 2014).

East-the-Water Reading Process

Below is the overview of reading provision for each year group, linked to the National Curriculum.
